

FIG. 1

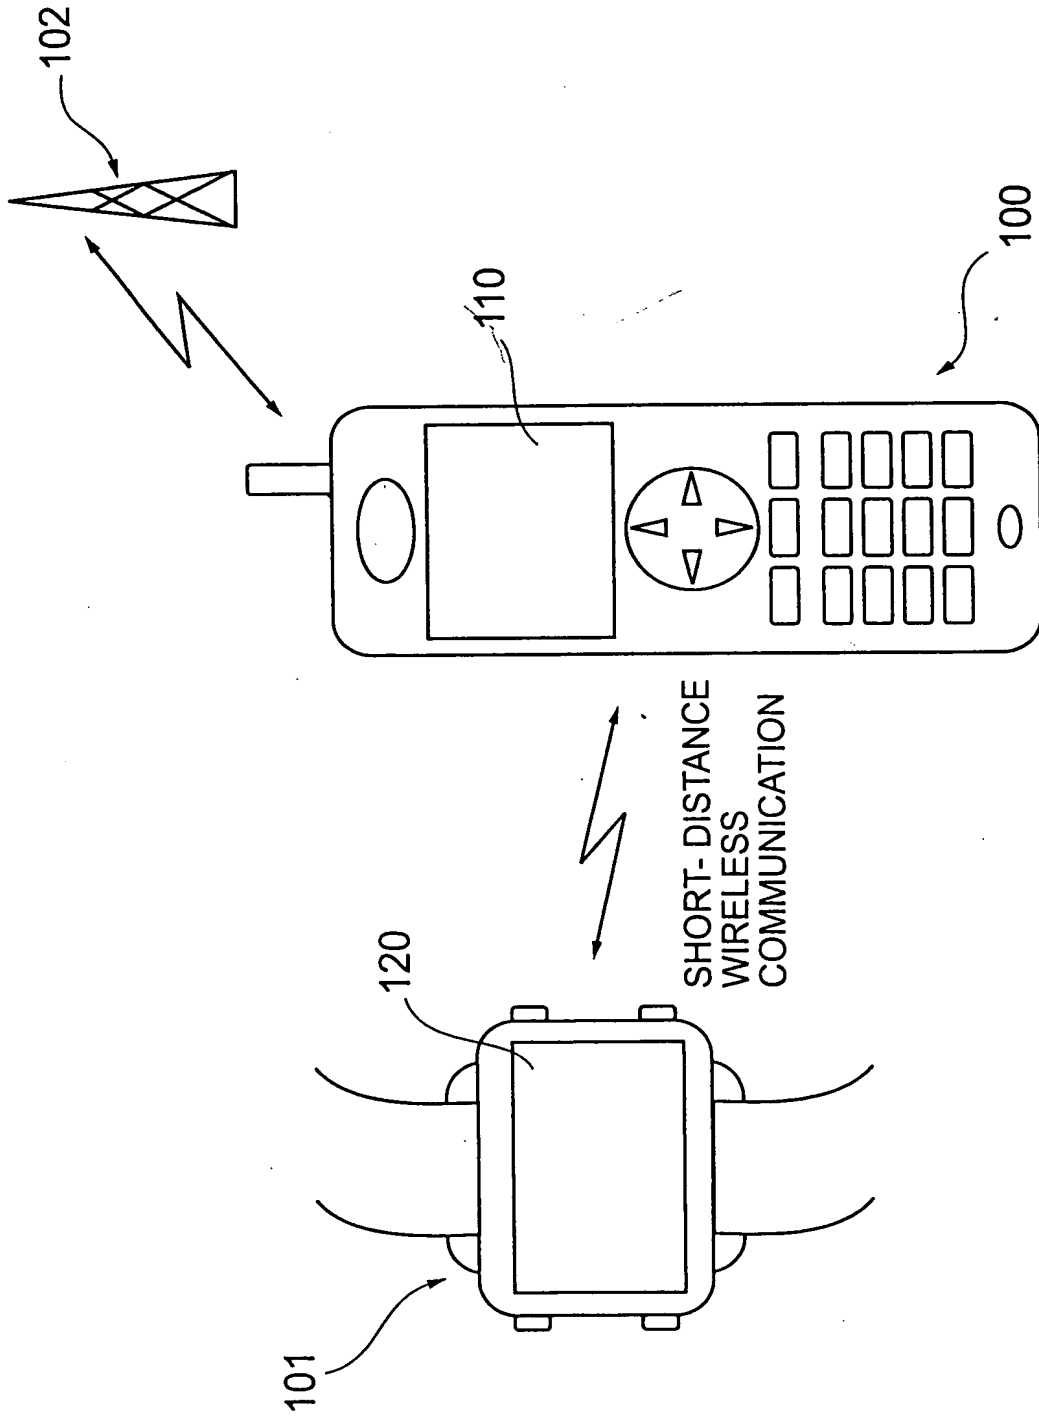

FIG. 1 is a block diagram of a mobile communication system. The system includes a mobile phone 100, a base station 102, and a wearable device 101. The mobile phone 100 is connected to the base station 102 via a long-range wireless link. The mobile phone 100 is also connected to the wearable device 101 via a short-distance wireless communication link. The wearable device 101 includes a screen 120.
